

AFTER SCHOOL CARE

The state of Alabama requires the school after care to notify you that it is not licensed by the state as a day care center. It is exempt from licensing because of it is a branch of a non-profit religious school.

The school does, however, voluntarily submit to all safety laws and state inspection and submits reports to the state. The school does not participate in welfare or social security funded day care.

At your convenience, we need you to drop by the school and sign an affidavit stating that you have been informed of the above. This form must be notarized. Therefore, you need to come in person to the office. The school will not charge for notary service. If for some reason the is impossible you may get it notarized elsewhere.

You may come anytime between 7:30a.m. And 3:30 p.m. Monday through Friday. The attached form is to be returned immediately to the office, signed by a parent or legal guardian, in order for your child to continue to stay in any form of care the school may provide. Thank you for your prompt action.

In Christ,

Mrs. Redmond
