

# **Field Trip Information**

## **ECS – Summer Camp 2019**

**Restaurant Note:** When we go to restaurants, you may always choose to send a sack lunch instead. We will make sure that each restaurant will accommodate our needs. Also, a menu will be sent home with options for each restaurant. This will allow us to place the orders in advance with the restaurants, speeding up the preparation process and knowing each student's cost.

**Swimming Note:** When we go swimming, please bring a swimsuit, towel, and dry clothes in a small bag to change into after swimming. Lifeguards will be on duty and Summer Camp staff will also be in the water. If we go other places that day, the student can wear their swimsuit under their clothes to make the transition easier. We will use the Westgate Indoor Pool as a backup for rainy days.

**Movie Note:** The movies have been selected with great care. Please feel free to review them for yourself.
